

COMMUNICATIONS MINISTRIES

452 Media Communications Ministry *NEW*

Share our faith and encourage involvement with print and digital media. Support and promote ministry programs and events. Produce layouts for print materials, such as the bulletin, newsletters, flyers, and signage and content for livestream, social media, and the website. Specific skill sets: writers, proofreaders, graphic/layout producers, photographers, video camera operators, directors, audio mixers, and video editors. Experience and/or a willingness to learn is required. Opportunities for teenagers include camera operators and PowerPoint slide producers.

Time Commitment: Varies
